The natural stone sink is made out of massive natural stone. The Travertin stone gives the sink a unique, one-of-a-kind look that is sure to make a statement in any bathroom. With its natural stone material, the sink is durable and easy to maintain. The Travertin sink is a perfect choice for those looking to add a touch of luxury and natural beauty to their bathroom.

The natural stone sink is made of solid natural stone. The Travertine stone gives the sink a unique, one-of-a-kind look that makes a statement in any room. Thanks to the natural stone material, the sink is durable and easy to maintain. The cabinet is custom made and customizable to the customer's space and needs so it will add a touch of luxury in any spa, bathroom or guest bathroom.
